	148	study_days	MD12. Days on study (i.e., number of days participant spent on study following enrollment) For those still on study, enter number of days from enrollment to current date.	text (number, Min: 0), Required						
	149	treatment_arm	MD13. Treatment arm to which participant was randomized (hub-specific) Note: If using, each hub should define their own set of study-specific response options.	radio <table><tr><td>1</td><td>Treatment arm 1</td></tr><tr><td>2</td><td>Treatment arm 2</td></tr><tr><td>3</td><td>Etc.</td></tr></table>	1	Treatment arm 1	2	Treatment arm 2	3	Etc.
1	Treatment arm 1									
2	Treatment arm 2									
3	Etc.									
	150	interview_number	MD14. Interview number: Sequential number corresponding to each sequential interview for this individual study participant, regardless of the number of months between (e.g., 'Baseline' = 1, 'Three months' = 2, 'Six months' = 3, etc.)	text (number)						
	151	interview_wave	MD15. Sequential number corresponding to the intended wave of the study data collection (e.g. 'Baseline = 1', 'Wave 2 = 2', 'Wave 3 = 3', etc.), regardless of the sequential number of the individual respondent interview (e.g., a study participant can have their Baseline interview at "Wave 3" assessment timepoint).	text (number), Required						
	152	interview_month	MD16. Intended interview timepoint in months since the study onset (e.g., Baseline = 0 months, 3-month follow-up = 3, 6-month follow-up = 6, etc.). This corresponds to the study wave and not the sequential number of the individual participant interview (e.g., a study participant can have their Baseline interview at "6 months"/"Wave 3" assessment timepoint). <i>Months since Baseline</i>	text (number, Min: 0, Max: 36), Required						
	153	interview_days_from_baseline	MD17. Interview days from Baseline (i.e., number of days between the Baseline assessment and the current assessment/current date; for Baseline interview, enter 0)	text (number), Required						
	154	admin_method	MD18. Administration method (i.e., how were the questions administered?)	radio, Required <table><tr><td>1</td><td>Self-administered</td></tr><tr><td>2</td><td>Interviewer-administered</td></tr></table>	1	Self-administered	2	Interviewer-administered		
1	Self-administered									
2	Interviewer-administered									

			Were the questions administered?	<table><tr><td>1</td><td>Self-administered</td></tr><tr><td>2</td><td>Orally administered by staff</td></tr><tr><td>3</td><td>Orally administered by others</td></tr><tr><td>4</td><td>Administered some other way (describe) {admin_method_other}</td></tr></table>	1	Self-administered	2	Orally administered by staff	3	Orally administered by others	4	Administered some other way (describe) {admin_method_other}
